Program
Monday 24th August 2015

24 - 28 August 2015, Hradec Králové, Czech Republic

19th ESO Stroke Summer School 2015

Monday 24th August 2015

- 08:45-09:00 **Welcome**
- 09:00-10:00 **Neuroimaging in acute stroke**
Milan Voško
- 10:00-10:30 **Etiology and risk factors**
Zuzana Gdovinová
- 10:30-11:00 **Refreshment break**
- 11:00-11:30 **Primary prevention**
Michal Karlinski
- 11:30-12:00 **Secondary prevention**
Michal Karlinski
- 12:00-12:30 **Bedside differential diagnosis of disturbances of consciousness – focus on stroke**
László Csiba
- 12:30-13:30 **Lunch break**
- 13:30-14:00 **Interesting stroke case presentations with difficult decisions**
László Csiba
- 14:00-15:00 **Carotid interventions**
Peter Arthur Ringleb
- 15:00-15:30 **Refreshment break**
- 15:30-16:00 **Acute treatment – intravenous thrombolysis**
Nils Wahlgren
- 16:00-16:30 **Transient ischemic attack**
Roman Herzig
- 16:30-17:00 **Intravenous thrombolysis – how to evaluate symptomatic hemorrhage**
Nils Wahlgren

Program
Tuesday 25th August 2015

24 - 28 August 2015, Hradec Králové, Czech Republic

19th ESO Stroke Summer School 2015

Tuesday 25th August 2015

09:00-09:30 **Prehospital triage for neurothrombectomy**

Nils Wahlgren

09:30-10:00 **NOACs: when, which and for whom?**

Aleš Tomek

10:00-10:30 **Pharmacogenetics in stroke**

Aleš Tomek

10:30-11:00 **Refreshment break**

11:00-11:30 **Cervical artery dissection**

Didier Leys

11:30-12:00 **Small vessel disease**

Zuzana Gdovinová

12:00-12:30 **Stroke and cognitive impairment**

Didier Leys

12:30-13:30 **Lunch break**

13:30-14:30 **Workshop: Solitaire stent**

14:30-15:00 **Intracerebral hemorrhage**

Valeria Caso

15:00-15:30 **Refreshment break**

15:30-16:00 **How to organize acute stroke care**

Turgut Tatlisumak

16:00-16:30 **End-of-life decisions**

Bart van der Worp

16:30-17:00 **Telestroke**

Turgut Tatlisumak

Program
Wednesday 26th August 2015

24 - 28 August 2015, Hradec Králové, Czech Republic

19th ESO Stroke Summer School 2015

Wednesday 26th August 2015

09:00-09:30 **Stroke in women**

Valeria Caso

09:30-10:00 **Stroke unit care**

Turgut Tatlisumak

10:00-10:30 **Clinical trials interpretation**

Kennedy Lees

10:30-11:00 **Refreshment break**

11:00-11:30 **Translation of animal stroke studies to the clinic**

Bart van der Worp

11:30-12:00 **Interventional studies to prevent cognitive decline following stroke**

Michael Brainin

12:00-13:00 **Lunch break**

13:00-14:00 **Workshop: Penumbra**

24 - 28 August 2015, Hradec Králové, Czech Republic

19th ESO Stroke Summer School 2015

Thursday 27th August 2015

09:00-09:30 **Prehospital stroke management**

Urs Fischer

09:30-10:00 **Organization of acute stroke care in Catalonia: The Stroke Program**

Miguel Gallofre Lopez

10:00-10:30 **Acute endovascular stroke treatment**

Urs Fischer

10:30-11:00 **Refreshment break**

11:00-11:30 **Stroke imaging, selection for recanalization strategies**

Robert Mikulík

11:30-12:00 **Blood pressure therapy in patients with acute stroke**

Urs Fischer

12:00-12:30 **Stroke awareness, awareness campaigns**

Robert Mikulík

12:30-13:30 **Lunch break**

13:30-14:00 **Silent cerebral infarction**

Miroslav Brozman

14:00-14:30 **Sonolysis**

David Školoudík

14:30-15:00 **Hemicraniectomy**

Eric Jüttler

15:00-15:30 **Refreshment break**

15:30-16:00 **Neurosonology**

David Školoudík

16:00-17:00 **Workshop: Neurosonology**

David Školoudík

Program
Friday 28th August 2015

24 - 28 August 2015, Hradec Králové, Czech Republic

19th ESO Stroke Summer School 2015

Friday 28th August 2015

- 09:00-09:30 **Case presentations**
- 09:30-10:00 **Case presentations**
- 10:00-10:30 **Posterior circulation stroke**

Roman Herzig

- 10:30-11:00 **Refreshment break**
- 11:00-11:30 **Subarachnoid hemorrhage**

Vladimír Beneš

- 11:30-12:00 **Vascular malformations**

Vladimír Beneš

- 12:00-12:30 **Extending neurological care from the Stroke Unit to a supported discharge. Are Stroke home services useful?**

María Alonso de Leciñana

- 12:30-13:30 **Farewell and lunch**
